CACCIA & TIRO

With its **38.000 copies**, the monthly magazine **Caccia & Tiro** is the leading sector magazine of shooting sports and hunting. **Caccia & Tiro** offers to its readers hunting news, sports coverage, curiosities and in-depth analysis, but it is always looking for new subject matters, ranging from the review of hunting and shooting products to scientific and environmental issues, including every side of the hunting tradition, such as gastronomy,

history and culture. **Caccia & Tiro** reaches, by postal delivery, a **precisely selected target**. The magazine is also sent to the **20.000 shooters** of the Italian Shooting Sports Federation (Fitav). The magazine is also available in a digital edition (single issue or subscription) on greentime.ezpress.it. **Caccia & Tiro** is all the more connected to sport, thanks to more than **8.000 copies** handed out yearly during the most important **tournaments and shooting ranges**. You can also find **Caccia & Tiro** it nationwide in gun shops as well as in game reserves, agritouristic hunting farms, dog breedings, game farms, manufacturing industries and importing firms.

Caccia & Tiro also addresses the world of **associations and institutions** and it is delivered to all the managers of Italian hunting organizations, provincial and municipal sections of Federcaccia, Atc and Alpine districts, peripheral bodies and sports clubs of Fitav, Uits (Italian Shooting Union) and Fidasc (Italian Federation of disciplines with hunting guns), to local associations of Enci (Italian Canine Agency), to trading, farmers, ecological associations, national and regional parks, regional and provincial councillor's departments, public and parliamentary bodies. Would you like a **360° circulation of your product**? **Caccia & Tiro** is just the magazine for you.
